

# Waraiosame

We have a school festival in December to spend the end of the year with a smile. We call it “Waraiosame”.

Our class was at the school festival. The performers and audience were very happy and smiled a lot.

I made a band with my friends and teachers. I played the guitar. We played two songs. The song is “Wanted! Wanted!” by Mrs.GREEN APPLE and Don’t look back in anger by oasis. It was very exciting.

Also, we did a short skit and dance.

School festival is very fun.

# Waraiosame syukai

We have Waraiosame Syukai.

It is held in December every year.

It is very interesting. We can enter this event freely.

Some students dance, some did manzai, some played music.

The good point of this event is to communicate with all the different grades.

This year our class played a skit and danced. We got the first prize.

We had a good time.

I want you to come and see our event.
