

## 令和2年度中学3年生 PROGRAM3 パフォーマンス

学校生活で一番大切なことを考えて、自分の意見をまとまりのある英文で表現しよう。

I think studying is the most important part of my school life because it's useful for my future. I can learn a lot of new things everyday if I study. It's exciting. I like classes. I like English and social studies very much. It's fun. I want to go to high school, so I will study hard for the entrance exam.

I think studying, club activities, and school events are all very important parts of my school life. But, I think the most important thing my school life should be is fun. For example, studying is very difficult, but if you understand what you're studying, it can be fun! Talking with my friends is fun. My friends are funny. School events are fun too because we can learn how to help each other. So, I will try my best to have fun in my school life.

I think that studying is the most important thing in my school life because I want to study hard for high school entrance exams. I want to go to a good school. I think that I need to study a lot for the entrance exam. I think that I should study many different subjects now, so I will be ready.

I think studying is the most important thing in my school life. I have two reasons. First, I want to go to Kochi Kokusai High School. So, I want to study hard for the entrance exam. Second, I can learn a lot of things from studying. It is useful for my future. So, I will study hard every day.

I think friends are the most important thing in my school life because friends can help each other. For example, when I could not understand math, my friends taught me math. I was very glad at the moment. My friends are very kind. So, I will be nice to my friends, too. I want to have many good friends in my school life.

I think communication is the most important thing in my school life. It's because we need good communication skills for the future. We need to communicate with many people at high school and for work. Without communication, we cannot do anything together. Also, we need to see things from a different angle. So, I think communication is the most important thing in my school life.
